Zehnder Charleston Mirror

Product data sheet

Zehnder Charleston Mirror

Slim, vertical round tubes, a mirror and an optional shelf:
Zehnder Charleston Mirror provides what sophisticated customers want, plus a little bit extra. Classic, elegant design, functionality and innovative additional uses. Available in almost any colour and finish from the Zehnder colour chart.

Benefits

- Mirror and shelf offer additional uses
- Classic, elegant design blends in with any setting
- High proportion of radiation ensures comfort
- Compatible with a heat pump and/or low-temperature systems
- High level of heat capacity also for old buildings with a high heating load
- Residue-free laser welding technology "LaZer made" guarantees maximum quality, high-end design and reliable operation of the heating system

Special benefits for hot water operation

- Available with Zehnder Vario connection fitting for an unobtrusive and elegantly concealed connection system
- Flexible installation through right and left connection options

Model overview

D = distance from wall to middle of connection
WA = wall clearance
